SEAN KELLY

KEYNOTE SPEAKER

Podcast Hosting, Entrepreneurship, Digital Marketing

Overview: With an extensive social media following of over 11 million, Sean Kelly is the host of the Digital Social Hour Podcast, hailed as the #1 Marketing Podcast. He initially made waves with his innovative e-commerce brand, Jersey Champs, and achieved great success with the NFT collection, Chibi Dinos. Sean then built a thriving empire in Web3 marketing that gained significant attention and was quickly acquired.

Key Achievements:

- **Digital Social Hour Podcast:** As the host, Sean brings insightful discussions, featuring industry leaders and marketing gurus, making complex digital marketing concepts accessible to a wide audience.
- **Entrepreneurial Success:** Founder of several successful ventures, including Jersey Champs, a company that revolutionized custom sports jerseys; Environment, focusing on sustainability, which was later acquired; and Chibi Dinos, a unique concept blending entertainment and commerce, also acquired.
- **Las Vegas Community Involvement:** Based in Las Vegas, Sean is actively involved in the local community, contributing to the vibrant tech and entrepreneurial scene.

Vision: Sean's vision is centered on leveraging digital platforms to create innovative marketing strategies and foster entrepreneurial growth. His podcast serves as a platform to share knowledge, discuss emerging trends, and inspire others in the field of digital marketing and entrepreneurship.
